PREGNANCY CARE

SERVICES OFFERED:

- Free pregnancy testing
- Assistance with Medicaid applications
 - Ultrasound technology
- Counseling during and after pregnancy
 - Prenatal education and support
- Delivery at Saint Francis Health System or OSU Medical Center
 - Spanish translators available on site

Catholic Charities and Oklahoma State University Obstetrics & Gynecology Department are pleased to offer on-site prenatal and OB care. At St. Teresa of Calcutta Pregnancy Care, patients are under the care of licensed obstetricians, registered nurses and an on-staff counselor.

Services in our clinic are free to the patient.

We offer help with applying for eligible state assistance programs.

ASK US ABOUT:

- Transitional Living
- Adoption Services
- Personal & Family Counseling
 - Healing After Abortion
 - Natural Family Planning
