

CHURCH OF SAINT MARY IMPACT REPORT

PREPARED FOR:
Rev. Stuart Crevcoure,
Pastor

Clients Served in Parish Boundaries

Together, your parish is helping neighbors thrive in zip codes 74105 and 74136. Through your gifts of prayer, time, and treasure, Catholic Charities served **3,072 neighbors** through **8,335 services**—from healthy food to dental care to maternity care.

Your generosity made this possible:

- The Market: **7,772 food services**
- Dental Care Clinic: **261 procedures**
- Maternity Care: **122 services**

Whether you volunteered, donated, or prayed for our mission, your parish made this impact possible. Thank you!

Stories from CCEOK

A client came to our Car Care Clinic with an unsafe, unreliable vehicle—putting steady employment out of reach. Through our donated parts and labor program, our team repaired his car and restored safe transportation. With reliability back on his side, he secured a full-time welding job—and has since returned to volunteer his welding skills at no cost to help other clients as a thank you.

Together, we are Love Changing Lives!
