SUFFERING AFTER ABORTION...

ALL LEAVE LIFETIME WOUNDS.

What would you like Jesus to heal for you?

On this five day retreat, professional therapeutic staff will engage you in a program of Living Scripture exercises, therapeutic facilitation, cognitive restructuring, and grief work to support healing.

RETREATS FOR HEALING AFTER ABORTION

This three day retreat is designed to help bring support, healing and hope and includes discussion, the sacrament of reconciliation, a memorial service and a Mass of resurrection with priests and licensed therapists.

"I have had multiple years of counseling. The integration of God and mental health has been what's missing."
