Clients Served in Parish Boundaries

Together, your parish is helping neighbors thrive in zip codes 74008, 74011, 74033, 74037 and 74047. Through your gifts of prayer, time, and treasure, Catholic Charities served **2,013 neighbors** through **5,650 services**—from healthy food to dental care to adult education.

Your generosity made this possible:

- Food: **4,510 services**
- Dental Care: **431 procedures**
- Adult Education: **72 services**

Whether you volunteered, donated, or prayed for our mission, your parish made this impact possible. Thank you!

Stories from CCEOK

A client came to our Car Care Clinic with an unsafe, unreliable vehicle—putting steady employment out of reach. Through our donated parts and labor program, our team repaired his car and restored safe transportation. With reliability back on his side, he secured a full-time welding job—and has since returned to volunteer his welding skills at no cost to help other clients as a thank you.

Together, we are **Love Changing Lives!**
