## Clients Served in Parish Boundaries

Together, your parish is helping neighbors thrive in zip codes 74112 and 74129. Through your gifts of prayer, time, and treasure, Catholic Charities served **4,931 neighbors** through **15,066 services**—from healthy food to legal immigration services to adult education.

Your generosity made this possible:

- The Market: **13,355 food services**
- Immigration: **121 services**
- Adult Education: **375 services**

Whether you volunteered, donated, or prayed for our mission, your parish made this impact possible. Thank you!

## Stories from CCEOK

A client came to our Car Care Clinic with an unsafe, unreliable vehicle—putting steady employment out of reach. Through our donated parts and labor program, our team repaired his car and restored safe transportation. With reliability back on his side, he secured a full-time welding job—and has since returned to volunteer his welding skills at no cost to help other clients as a thank you.
